## **APPLICATION FOR SUMMER SCHOLAR PROGRAM: SUMMER 2026**

*School of Arts & Sciences*

Name:

Academic Rank:

Department:

Date of next tenure/promotion consideration (if applicable):

Title of proposed project:

Description of proposed project:

Please explain how your participation in the program would benefit you, especially in terms of your summer research schedule. **Please be as specific as possible as to the work you hope to complete during the summer award period.** If you are striving to complete this particular project in anticipation of tenure and/or promotion consideration, please address that below as well.

In addition to the answers to the preceding questions, please include and/or have sent the following materials as part of your application:

1. Current *curriculum vitae*
2. Brief writing sample (if appropriate)
3. Copies of communications with editors (if relevant)
4. **OPTIONAL:** Peer review letters of recommendation are no longer required as part of the application process; however, an applicant may include a peer review letter if they feel it will help to set the context for the importance of the scholarly work.
5. Any other materials which may help the selection committee to evaluate the proposed project (to a maximum of ten pages beyond the items listed above)

**By signing this form, the applicant agrees that:**

- The stipend for the Summer Scholar will be \$4,674. This stipend will be paid in Summer 2026.
- Summer Scholars may not teach a summer course during the award period.
- Each Summer Scholar will complete a report on his/her accomplishments by October 1, 2026.
- Summer Scholars will present their research to peers during the 2026-27 school year.

**Applicant:**
